9 RATIONALE

- 9.1 Global trends show that diverse and inclusive workplaces have higher engagement, productivity, and retention rates.
- 9.2 Across the MTN Group, Diversity & Inclusion is a business imperative that extends beyond the commercial business to all MTN stakeholders and entire ecosystem. To this end, there is a global wireframe that includes a framework, tactical programmes and group interventions to support OpCo's in implementing D&I with due consideration to in-country requirements.
- 9.3 Diversity and inclusion are central to our identity as MTN, and this is embedded in our Employee Value Proposition (EVP) - Live Inspired under the Thrive in Positivity pillar.

opportunity, fairness, and transparency.

- 9.5 Our sustainability as an organisation is assured when we embrace and value diversity of thoughts, ideas, and ways of working that help us become more open, innovative and reflect the diversity of our customers.

10 SCOPE

This policy is applicable throughout MTN Nigeria.

11 POLICY STATEMENTS

-
- 11.6 Employment Quotas:** ~~HUMAN RESOURCES~~ We believe that employment equity does not require imposition of quotas for recruiting candidates from designated groups. Rather, we will enlarge the pool of qualified candidates by encouraging applications from a broader range of candidates.
- 11.1 MTNN** aspires to become a more diverse and inclusive company to reflect the diversity of our customers and country.
- 11.2** We are committed to equality and the eradication of all forms of discrimination and harassment in the workplace. We consider diversity and inclusion to be business-critical, not just the right thing to do or a compliance necessity.
- 11.3** We believe that our greatest strength lies in our diversity and that everyone is entitled to the fundamental right of equality and human dignity. We will therefore treat all employees, contractors, consultants, service providers and suppliers fairly and equally.

We do not tolerate discrimination against any employee (or applicant) based on gender, tribe, ethnicity, nationality, race, religion, creed, age, marital status, disability, or any other category protected by federal, state, and local legislations.
- 11.5 Reverse Discrimination:** MTNN recognises that promoting employment equity may change the composition of our workforce so that it better reflects the diversity of society. Ultimately, the principle is to recognize, create, and extend opportunities for people of any background based on Qualification, Merit and Potential.
- 11.7 Remuneration Policy:** MTNN is committed to ensuring pay parity for all employees undertaking similar work of equal value.
